

Your Venetian Journey

This experience is crafted for those who wish to explore Venice from multiple perspectives: a culinary adventure, an artistic and artisanal discovery, and most importantly, a profoundly human encounter with the city's heart and traditions.

Day 1 - Welcome to Villa Ines

Your **Culinary Journey** begins at **Villa Ines**, a charming **Art Nouveau** home surrounded by a **fragrant Mediterranean garden**. You'll be welcomed in **Marika's Kitchen** and start with a **hands-on pasta class**, learning to **craft traditional Italian pasta from scratch**.

The day ends with a **shared meal** — **enjoying what you've made, connecting, and setting the tone for the delicious days ahead.**

Day 2 – Murano Island & Vignole Island

The day begins on **Murano Island** with an exclusive visit to the historic **Seguso Glass Factory**, active since 1397. Guided by **Gianluca Seguso**, you'll witness master glassblowers at work, explore private showrooms and archives, and dive into centuries of Venetian glass artistry.

Then join a journey to **Vignole** one of the **Vegetable Islands of Venice**, where the salty waters of the lagoon and Adriatic create intensely flavored, organic vegetables like nowhere else. In this enchanting farm, we'll meet Carlo, the farmer, and harvest the seasonal bounty together: after gathering what's in season, we'll head to the Kitchen in Villa Ines to create a **Vegetable extravaganza** - a feast that celebrates the freshest, flavorful Venice's produce.

Day 3 – Pellestrina Island & The Fisherman Experience

Set off by private boat from **Malamocco** to the peaceful island of **Pellestrina** guided by our **Savour Venice Ambassador, Lucia** you'll discover a colorful fishing village where time slows down and traditions endure.

Step into a world where time stands still and traditions thrive. Starting from Malamocco, Lido Island, you'll board a private boat to explore the untouched beauty of Pellestrina - a fisherman's island known for its vibrant houses, slow rhythms, and timeless rituals.

Meet the **Mussel Farmer**, recognized by *Forbes* among Italy's top 100 products, and explore **La Bilancia**, a historic Venetian fishing structure nestled among oyster beds.

Enjoy a **Mussel & Oyster** and fresh seafood lunch paired with local wines—set against the unforgettable backdrop of a **sunset over the lagoon**.

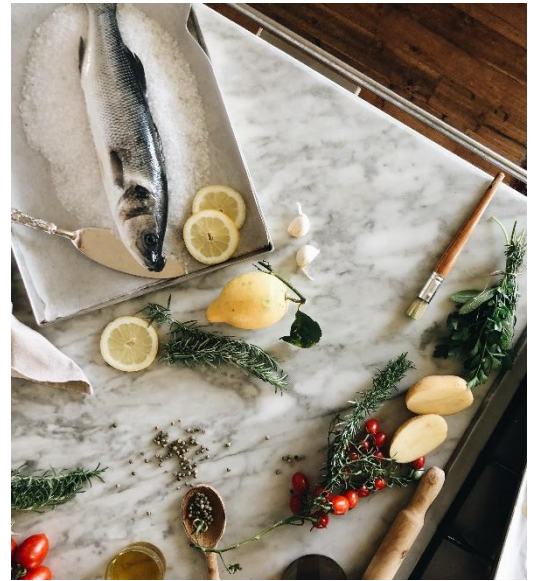

Day 4 -Rialto Market, Cooking Class & Lunch

Dive into a full-day **culinary immersion** starting at the iconic **Rialto Market**, one of the oldest in the world. With **Marika** as your guide, learn to select the freshest fish and vegetables, then enjoy a tasting tour in two traditional **Venetian bacari** with local wine and cicchetti.

After a **private boat ride to Villa Ines**, roll up your sleeves for a hands-on **cooking class**, where you'll prepare authentic Italian and Venetian recipes.

The day ends with a relaxed **lunch**, savoring the dishes you've created, paired perfectly with wine.

Day 5 – A romantic escape to Burano e Mazorbo Islands

Spend a dreamy day with **Lucia** exploring the colorful charm of **Burano**, where you'll visit **Martina Vidal's lace atelier** and taste traditional Venetian cookies at **Carmelina Palmisano's bakery**. Cross the iconic **Ponte Longo** to peaceful **Mazorbo Island** for a refined **wine tasting at Venissa Estate**, followed by a memorable lunch at the historic **Trattoria da Romano**.

Return to **Villa Ines** for a warm and intimate **farewell aperitif**, toasting to unforgettable memories and new friendships.
